## OBSERVATIONS

ON

THE EMIGRATION STATISTICS OF IRELAND  
FOR THE YEAR 1892.

TO HIS EXCELLENCY ROBERT OFFLEY ASHBURTON, BARON HOUGHTON,

Esq., Esq., Esq.,

LORD LIEUTENANT-GENERAL AND GENERAL GOVERNOR OF IRELAND

MAY IT PLEASE YOUR EXCELLENCY,

I beg to forward detailed Tables showing by ages and occupations the number of Emigrants from Ireland during the year 1892, with the ports at which they embarked, and their intended destinations.

The number of Emigrants who left Irish ports in 1892 was 51,000, a decrease of 8,868 as compared with 1891; the number of males being 25,571, or 4,638 less than in the previous year, and of females, 25,429, a decrease of 4,230.

Of the 51,000 Emigrants in 1892, 50,567 were natives of Ireland, and 133 were persons belonging to other countries.

The following Table (I) gives the number of Emigrants from each province in 1891 and 1892, by sexes, with the decrease in the latter year. Of the 50,567 persons—natives of Ireland—who left in 1892, 7,145, or 6·0 per 1,000 of the population of the Provinces in 1891, were from Leinster; 20,050, or 17·1 per 1,000, from Munster; 11,465, or 7·1 per 1,000, from Ulster; and 12,204, or 16·8 per 1,000, from Connaught—the total number being equal to 10·8 per 1,000 of the population of Ireland in 1891.

Comparing 1892 with 1891, Leinster exhibits a decrease of 2,128, Munster a decrease of 4,628, Ulster a decrease of 1,799, and Connaught a decrease of 201 emigrants.

TABLE I.—Showing the number of Emigrants from each Province during 1891 and 1892.

Persons belonging to other Countries,	133	76	82	37	243	133
General Total	30,780	25,571	29,577	25,572	59,623	51,000
Decrease in 1892.	4,638		4,230		5,563	

The total number of Emigrants—natives of *Ireland*—who left Irish ports from the 1st of May, 1851 (the date at which the collection of these returns commenced), to the 31st of December, 1892, is 3,518,383,—1,857,815 males and 1,661,068 females. The number for each year is given in the following Table (II.), from which it appears that emigration from Ireland steadily increased from 37,587 persons in 1876—the year in which the smallest number was registered—to 38,503 in 1877, 41,124 in 1878, and 47,063 in 1879. The number rose to 95,517 in 1880, but it fell to 78,417 in 1881. In 1882, however, an increase of 10,719 took place, comparing that year with the previous one, and there was a further increase of 19,588 in 1883; then a decrease of 32,861 took place in 1884 compared with 1883, and a decrease of 13,629 in 1885 compared with 1884, followed by an increase of 1,101 in 1886 compared with the previous year, and an increase of 19,788 in 1887 compared with 1886, but there was a decrease of 4,239 in 1888 compared with 1887, a decrease of 8,297 in 1889 compared with 1888, a decrease of 9,164 in 1890 compared with 1889, a decrease of 1,690 in 1891 compared with 1890, and a decrease of 8,756 in 1892 compared with the previous year. In the decade from 1866 to 1875 the average annual number of Emigrants was 74,667; in the preceding decade, from 1856 to 1865, the average number per annum amounted to 88,272, while in the four preceding years, from 1852 to 1855, the number averaged 148,985 annually. The numbers fluctuated between 190,322 in 1852 and 37,587 in 1876.

Number of  
Emigrants,  
1851-92.

\* The date at which the collection of these Returns commenced.

Number of  
Emigrants  
from each  
County and  
Province.

The succeeding Table (III.) is in continuation of one published annually for some years past, and gives the number and sex of the Emigrants from each county and province from the 1st of May, 1851, to the 31st of December, 1892. For purposes of comparison of the several counties and provinces the per-cent-age of emigrants to the population† is also shown.

From this Table it appears that during the above period 2,555,260 persons emigrated from Irish ports. Of these, 3,518,383 were natives of Ireland, and 36,877 were persons belonging to other countries. The former number (3,518,383) represents a proportion of 63·6 per cent. of the population;† Munster having contributed 1,213,607 persons, being equal to 68·4 per cent. of the population of the province; Ulster, 1,021,922, or 56·0 per cent.; Connaught, 522,929, or 60·5 per cent.; and Leinster, 649,257, equivalent to 46·7 per cent. of its population.† In 110,668 instances the county from which the persons came was not specified in the returns; since 1876, however, this information has been given in every instance, with the exception of 53 cases in 1880.

† Calculated on an average of the Census Numbers for 1851, 1861, 1871, 1881, and 1891.

TABLE III.—Showing, by Sexes, the Number of Emigrants from each Province and County, from the 1st of May, 1851, to the 31st of December, 1892, with the Ratio to the average Population.\*

## Age of Emigrants.

The ages of the Emigrants are given by Provinces in Table IV., from which it appears that 83.2 per cent. of the persons who left Ireland in 1892 were between the ages of fifteen and thirty-five years, the percentage over that age being 7.7, and of children under fifteen years 9.1: in 15 cases, the ages were unspecified. The corresponding percentages in 1891 for the three age-periods given above were 82.5, 8.0 and 9.4 respectively. The proportion of the Emigrants in 1890 who were from fifteen to thirty-five years of age was 81.0; in 1889 it was 79.7 per cent.; in 1888 it was 80.1; in 1887 it was 79.8; in 1886, 78.1; in 1885, 75.2; in 1884, 70.5; in 1883, 67.9; in 1882, 74.3; in 1881, 76.0, and in 1880, 75.7.

TABLE IV.—Showing the NUMBER and Ages of EMIGRANTS from each Province and from all Ireland during 1892, also the proportion per cent. at each age-period.

## Age of Emigrants.

On pages 8 and 9 will be found a Table showing the ages of persons who emigrated from each county, and of persons belonging to other countries who embarked at Irish ports, distinguishing the sexes and conjugal condition. The only quinquennial age-period in which the females greatly outnumbered the males is that between fifteen and twenty, in which the number of females was 6,832, and of males 3,988. The quinquennial period 20-25 years furnished the largest number of both male and female emigrants—11,323 males and 10,311 females, or 42.4 per cent. of the entire number of emigrants.

## Conjugal condition.

Of the 25,571 males who emigrated, 2,400, or 9.4 per cent., were returned as married men or widowers, and of the 35,429 females enumerated, 4,078, or 11.0 per cent., were described as married or widowed. Of the 10,620 males and females between the ages of 15 and 20, 10 only were married.

## Destinations of Emigrants.

Of the 50,867 natives of Ireland who emigrated in 1892, 48,937, or 96.2 per cent., went to the Colonies or to Foreign Countries; and 1,930, or 3.8 per cent., to Great Britain. The United States of America absorbed 46,550 or 91.5 per cent. of the number of native emigrants in 1892, compared with an average of 57,897, or 85.7 per cent., for the four preceding years. The number of emigrants to New Zealand, which had fallen from 822 in 1887 to 87 in 1888, rose to 90 in 1889, and to 126 in 1890, and also showed a small increase in 1891, when 145 persons left for that Colony, but fell to 101 in 1892. Emigration to Canada shows a decrease in 1892 compared with 1891, the numbers being 989 in 1892, and 1,078 in 1891. The emigrants to Australia numbered only 1,216 in 1892, against 1,821 in 1891, 2,238 in 1890, 3,038 in 1889, 3,110 in 1888, 3,896 in 1887, and 4,312 in 1886. Of the 81 persons who went to "Other Countries" last year, 5 went to France, 4 to other parts of Europe, 30 to Buenos Ayres, 34 to South Africa, 4 to the Falkland Islands, 1 to the West Indies, 1 to India, 1 to Singapore, and 1 to Kamtschaka.

Of the 45,650 emigrants to the United States in 1892, Munster contributed 18,496, Connacht 11,934, Ulster 9,657, and Leinster 6,463. Munster contributed also 555 of the 1,216 who left for Australia. Ulster furnished the largest contingent to Canada—645 out of a total of 989; Munster contributed 54 out of the 101 for New Zealand, Ulster furnishing 22.

As before stated, 1,930 persons left Ireland in 1892 with the intention of settling permanently in Great Britain; of these, 1,067 left for England or Wales, and 923 for Scotland, the averages for the four preceding years being 3,175 and 1,412, respectively. More than 72 per cent. of the number who went to England and Wales were Munster people, and of the 923 who went to Scotland no less than 814 were from the Province of Ulster, 70 of these being natives of the County of Antrim.

It may be well to add that the enumerators are instructed to make a return for each passenger ship which may sail from any port within their district, and that by "emigrant" is to be understood a person who leaves Ireland with the intention of settling elsewhere.

TABLE V.—Showing the Destinations of the Emigrants—Natives of Ireland—who left during the years 1888, 1889, 1890, 1891, and 1892; the estimated Population in the middle of each of those years; the Ratio of Emigrants to the Population; and the Proportion per cent. of the total number of Emigrants who left for each Destination.

1892	51.3	24	0.9	1.9	0.0	96.9	2.0	1.8	5.8	100

A Table showing the destinations of the emigrants in 1892, the population in 1891, and the ratio of emigrants to every 1,000 of the population for each county and province, is given at page 12.

A Table showing the occupations and ages of the emigrants of each sex in 1892 will be found on pages 10-11. From this it will be seen that of the 25,571 males who emigrated in that year, 19,583, or 76.6 per cent., were returned as "labourers." In 1891 the proportion of labourers to the entire number of male emigrants was 73.4, and in 1890, 73.0 per cent. Of the remaining occupations of males the most numerous were—

		1888.	1891.	1892.
Farmers,		502	1,046	1,348
Shopkeepers and Assistants,		386	437	523
Clerks and Accountants,		373	643	655
Carpenters and Joiners,		332	515	534
Bakers, Confectioners,		211	202	208
Tailors,		184	179	198
Boat and Shoe Makers,		180	264	242
Blacksmiths,		177	158	169
Mechanics,		118	207	114
Servants,		97	134	186
Painters, Plumbers, &c.,		91	120	157
Masons and Purifiers,		86	88	141

The instances amongst males, in which no occupation was specified numbered 2,353, which included 1,732 children under ten years of age.

Of the 25,429 females who emigrated in 1892, 18,944 were returned as "servants," 1,769 as "housekeepers," 576 as "dressmakers and milliners," and 50 as "seamstresses." The "unspecified," including "wives and children," numbered 3,522.

In conclusion, I beg to state that it affords me much gratification to inform your Excellency that those members of the Royal Irish Constabulary and the Dublin Metropolitan Police who were selected as Enumerators of the Emigration Statistics, discharged this duty with their usual efficiency.

I have the honour to be

Your Excellency's faithful servant,

GENERAL REGISTER OFFICE,

Charlemont House, Dublin,

THOMAS W. GRIMSHAW,

Registrar-General.

L.—Table showing, by Sexes, the Number and Ages of Persons who Emigrated from Ireland during the Year 1892, distinguishing the Croppieal Condition of Adults.

\* The 61 emigrants to "Other Countries" include 6 to France, 4 to other parts of Europe, 24 to South Africa, 20 to South America, 4 to the Falkland Islands, &c.

IV.—TABLE showing the Number of Male and Female Negroes—Natives of Ireland—who left Irish Ports, during each month of the year 1852.

DUBLIN CASTLE,

23rd March, 1893.

Sir,

I have to acknowledge the receipt of your letter of the 21st instant, forwarding, for submission to His Excellency the Lord Lieutenant, the Annual Report on Emigration Statistics of Ireland for the year 1892.

I am,

Sir,

Your obedient servant,

D. HARREL.

The Registrar-General,

Charlement House,

Rutland Square.
